### **Every Kid in a Park!**

Boise National Forest invites all fourth grade students to visit the park for free as part of the White House's new Every Kid in a Park program. Starting September 1, fourth grade students can go to: <http://www.everykidinapark.gov> to complete an activity and obtain a free annual entry pass to more than 2,000 federal recreation areas, including national parks. ### **Fire Recovery Flooding Project:**

The precipitation created debris flows that damaged roads, plugged culverts, and changed waterways. Forest Road 268, the Middle Fork of the Boise River Road is the lifeline of the community of Atlanta, Idaho and was severely damaged. This route received emergency relief funding to repair the damage. (Published on May 4, 2015)

### **MscottLovesLife - Sustain**

Published on May 5, 2015

Created for U.S. Forest Service by MscottLovesLife, the song "Sustain" contains elements of the Forest Service's Sustainable Recreation program. The video includes partners from the U.S. Fish & Wildlife Service, City of Albuquerque Open Space, and Great Old Broads for Wilderness. Performances were done by youth from Warehouse 508 and the Bernalillo County Mountain View Community Center. This can be used as an education tool to inspire kids and adults of all ages to explore, appreciate, and enjoy the outdoors. Partner up, Provide, Protect, and Perform!
